1. These are the petitions impugning an order condoning delay in revision proceedings against an order under Section 256 of Cr.P.C. It is contended that delay ought not to have been condoned because no revision was maintainable and appeal against acquittal ought to have been filed. The Advocate for the petitioners states that he will withdraw the revisions and file an appeal against acquittal. The statement is accepted. Hence,

with liberty to file an appeal against acquittal the petitions are disposed of.
